### Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

| S.No | Team Member Name    | Role in Demo            | Section Presented                                    | Contribution Summary                                                                                                        | Participation |
|------|---------------------|-------------------------|------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|---------------|
| 1    | Kirti (Team Leader) | Presenter & Coordinator | Introduction, Testing, Project Overview, Q&A         | Coordinated the overall demonstration, explained project objectives, testing results, and managed the Q&A session.          | Active        |
| 2    | Anushika            | Lead Demonstrator       | System Architecture, Workflow, Live Application Demo | Presented the core implementation, user interface, workflow, and demonstrated the major functionalities of the application. | Active        |
| 3    | Amritansh           | Technical Presenter     | Audio Processing & Scoring Engine                    | Explained backend processing, audio feature extraction, and scoring methodology while assisting in the live demo.           | Passive       |
| 4    | Sourav              | Supporting Presenter    | ER Diagram & Report Generation                       | Briefly explained the ER diagram, report generation process, and documentation aspects.                                     | Passive       |
| 5    | Sanjana             | Supporting Presenter    | Conclusion & Future Scope                            | Presented the conclusion, future enhancements, and testing.                                                                 | Passive       |

### Team Coordination Notes:

| Aspect | Details |
|--------|---------|
|--------|---------|

|                                               |                                                                                                                                                                                      |
|-----------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Team Leader / Coordinator</b>              | <b>Kirti</b>                                                                                                                                                                         |
| <b>Overall Team Coordination Rating (1–5)</b> | <b>5/5</b>                                                                                                                                                                           |
| <b>Any issues during demo</b>                 | <b>Minor technical delays during module integration and feature demonstration.</b>                                                                                                   |
| <b>How issues were resolved</b>               | <b>The team coordinated effectively, with Anushika and Amritansh handling technical clarifications while Kirti managed the presentation flow and ensured a smooth demonstration.</b> |
